

Identifying Consultant Prospects

This worksheet was created by The Denver Foundation's Inclusiveness Project (www.nonprofitinclusiveness.org) to support organizations doing inclusiveness work.

Users are encouraged to customize the worksheet to meet the needs of their respective organizations.

Instructions

Record the names of consultants you have identified and the name of the person in your organization who will be responsible for getting their contact information.

Consultant	Contact Person

Consider other sources that might have names of consultants and decide who will be responsible for contacting those sources.
